Main Point

One of the great benefits of our union with Christ is our access directly to the throne of God and the privilege of intercessory prayer. We get to **stand in the breach** on behalf of our family, friends, Church, leaders, and others, asking for the Lord's Kingdom to come and for His will to be done.

Self Reflection:

1) How well does your prayer life align with God's purposes for prayer?

2) Read and study Moses' prayers in Exodus 32-34 and take note of the way he models intercessory prayer.

3) As you intercede on behalf of others this week, incorporate specific prayer for spiritual needs along with the important prayers for physical and temporal needs.
