## Support Scripture

1 Corinthians 12 and Romans 12:3-8

Colossians 2:6-7

## Main Point

Each believer is gifted and equipped to minister in the local church. But why? In this week's message we look at God's vision for His church and the blueprint for how the body is built.

- A Diverse Body
- An Equipped Body
- A Growing Body

# Notes

## Self Reflection:

- 1) What is the difference between unity and uniformity? Why is this distinction so important in the local church?
- 2) Have you discovered your spiritual gift(s)? Are you exercising your gift in service to the body?
- 3) What are some of the clear signs of spiritual maturity? Are you increasingly governed by God's word?
