Today's Message

A Worthy Walk - Part 2

Today's Main Scripture

Ephesians 4:1-6

Support Scripture

Philippians 2:5-11

Matthew 11:29-30

Main Point

As we continue in our study of Ephesians 4, we find Paul urging believers to “walk in a manner worthy of the calling to which you have been called” – a life characterized by unity and Christlikeness. As we grow and mature in our faith we find ourselves being more and more conformed to His image.

Live with gentleness and humility

Be patient and bear with one another

Pursue unity

Notes:

Self Reflection:

1) How can it be said that gentleness and humility are both attitudes of the heart and characteristics of our lives in action?

2) What comes to mind when you think of Christlikeness?

3) What attitudes and actions need to change? Where do we start?
