Main Point

This morning, we continue our journey through Ephesians by looking at chapter 4, verses 17-24. Paul reminds the early church (and us) that the worthy walk is the evidence of new life and is characterized by real change – we are truly different!

- Out with the Old

- In With the New

Notes:

Self Reflection:

- 1) Who are you? Please think deeply about this one!
- 2) How does scripture describe the “old you”? The “new you”?
- 3) Who do you have in your life willing to ask tough questions and to challenge you to walk worthy?
