## Support Scripture

John 5:37-39

## Main Point

This morning, we begin our summer series "*Behind the Veil*" and we introduce our study with the foundational truth that **all** of sacred scripture is God-breathed!

Exalting Christ in All of Scripture is...

1) Biblical

2) Necessary

## **Notes:**

## **Self Reflection:**

- 1) When was the last time you spent extended time in the Old Testament as part of your personal study? In what ways did that study enhance your understanding of the New Testament?
- 2) The Bible begins with these words: "In the beginning, God". Why are these four words so critical to our perspective of the Bible as one story?
- 3) How would you explain the statement "the Bible is a means to an end"?

## **Further Study**

Acts 2:14-41; 28:23; 1 Cor. 10:6,11; 2 Cor. 1:20; 2 Peter 3:15-16
