## **Today's Message**

Christ, our Passover Lamb

## **Today's Main Scripture**

Exodus 12; 1 Corinthians 5:7

## **Support Scripture**

John 1:29, 36

1 Peter 1:18-19

## **Main Point**

#1 On the night of His betrayal, the Lord celebrated Passover with His disciples, just as He had done throughout His life, just as all Jews were commanded to do. However, Christ wasn't simply celebrating a memorial feast, He was fulfilling everything the meal pictured! He was the Passover Lamb.

- The Sacrifice
- The Sinner
- The Substitute

## **Notes:**

## **Self Reflection:**

- 1) How does the Exodus fulfill God's promises to Abraham and how might we apply that to our lives today?
- 2) What was different about the tenth Plague? How do we see God's sovereign purposes unfolding?
- 3) How does a Biblical understanding of the Passover and the sacrifice of Christ impact our priorities?
