Main Point

Over the past few weeks, we have looked at the *Reality of an Enemy*, the *Reality of a Spiritual Battle*, and at the *Reality of His Strength* as we stand firm and withstand the devil. In today's passage, Paul discusses the Armor of God and the *Reality of Christian Soldiers*.

- The Reality of Christian Soldiers
 - o Position
 - o Preparation
 - o Protection

Notes:

Self Reflection:

- 1) If spiritual warfare is a new concept to you, what have you learned and how has it changed your perspective of the cosmic battle going on around us?
- 2) Discuss the impact of spiritual warfare on Christians. Why do we need armor?
- 3) In your own words, what is meant by the phrases "putting on" or "taking up" the armor?
- 4) What are we to take away from Paul's discussion of our spiritual armor? Give examples of how the armor of God has protected you or how you may be better prepared to face challenges knowing you are a Christian soldier.
