## **Today's Message**

Stand Firm ... and Pray!

## **Today's Main Scripture**

Ephesians 6:18-24

## **Support Scripture**

Romans 12:12

Ephesians 1:22-23

Colossians 4:3-4

## **Main Point**

Having described the Christian's armor and the necessity of standing firm against the enemy, Paul now moves seamlessly from spiritual warfare to spirit-empowered prayer, including a call to intercede on behalf of "all the saints".

- Praying in the Spirit
- Praying for One Another
- Praying for Boldness

## Self Reflection:

- 1) What connection is Paul making between spiritual warfare, the Christian's armor, and prayer? How does prayer fit into the overall message of Ephesians?
- 2) Why is intercessory prayer so important to the success of the entire body of Christ? How might you be more intentional in praying for others?
- 3) Does Paul's prayer request for boldness have application to all Christians? What are the different aspects of this personal request? In what areas might we need to be more bold?
