## **Notes:**

## **Self Reflection:**

- 1) How have you seen God at work in the everyday circumstances of your life? How might we be better prepared to see and respond to His work in the moments of daily life?
- 2) Think about a time when your plans didn't go as you had hoped. Did you take time to consider that God may have had a different plan? What did you learn?
- 3) We know that God speaks to us and leads us by His word, through His Spirit. In what other ways have you experienced God speaking to and leading you?
