## Notes:

## Self Reflection:

- 1) In what ways does Boaz teach us about the character of God? Identify examples of how others can see God's image, in a tangible way, through you.
- 2) How can you better reflect the character of God to a watching world? What realistic intention or goal can you set today to let others see Him working in your life?
- 3) Do you notice any changes in Naomi's perspective? Why is she starting to hope again? Looking at your own life, can you identify with Naomi at different times or seasons?
