Redeeming Love

Today's Message

The Kinsman Redeemer (Pt 2)

Today's Main Scripture

Ruth 3:15-4:12

Main Point

This morning's message brings us to the "heart" of the story, to the centerpiece of the book of Ruth. Ruth (and Naomi) needs a redeemer, and God has a plan that has eternal consequences.

- Boaz is a Redeemer

- Boaz is a Willing Redeemer

- Boaz and the Universal Need for a Redeemer

Notes:

Self Reflection:

- 1) How does Boaz set a pattern for men AND women today? What are some of the characteristics exemplified in Boaz' life that you can apply in your life and in your relationships?
- 2) What were the qualifications and responsibilities of a kinsman redeemer? How does Christ perfectly embody the office of Kinsman Redeemer?
- 3) Understanding that Christ was a **willing** Redeemer, how might this inform our Christian life in practical ways?
