

Notes:

Self Reflection:

- 1) How would you define “sound doctrine”? How would you explain the relationship of sound doctrine to living faithfully in the everyday moments of our lives?
- 2) Pastor Dave shared how doctrine has been the primary instrument of God’s transforming work in his life. Have you found this to be true in your own life? How does doctrine connect to emotions and feelings?
- 3) Paul gives several examples of sound doctrine and teaching through various relationships. As you consider your season of life, what steps might you take to put Paul’s instructions into practice?
- 4) In verses 9-10, Paul moves from individual relationships to the workplace. If you are an employer or an employee, how might your testimony at work “adorn” the doctrine of God our Savior? In all areas of life?
