## Today's Message

Life Giving Philanthropy | Titus 3:1-8

1. The Scope of our Work (vv1-2)
2. The Depth of our Sin (v3)
3. The Moment of our Change (vv 4-5a)
4. The Fuel of our Hope (vv 5b-7)

## Additional Scriptures:

1 Peter 2:13-17 | John 3:1-14 | Eph 2:1-10

## Self Reflection:

1. Has the modern church lost some of its balance? Count how many times the concept of “works” or “good works” is mentioned in Titus. (*Hint: at least 6*). Do we need to recalibrate how we communicate the gospel?
2. What was Nicodemus’ fundamental misunderstanding in John 3? How does our culture view the term “born again”? Is this part of your vocabulary when you explain the Gospel?
3. Titus 3:4-7 (let’s call this “the meat of the sandwich”) is one of the most rich summaries of the Gospel in all of the New Testament. Yet the “bread” of that sandwich, verses 1-3 and 8, focus on what? How does the flow of Ephesians 2:1-10 show a similar line of thinking?
