## Today's Message

The Giving of the Law

## Today's Main Scripture

Exodus 19:1-20:21

## Main Point

As we begin our study of the Ten Commandments, we start with a focus on God's character and His gracious purposes for the giving of the law.

- The Character of God
- The Grace of God
- The Purpose of God

## Notes:

## Self Reflection:

1. How often do you consider and reflect on the Law of God (Ten Commandments)? Are they relevant to us today? Why?
2. How does our duty to God in the first four commands relate to our duty to others in the remaining six commands?
3. Take time this week to write out each command and then write a brief prayer of response. Ask the Lord to expose any area of unconfessed sin and then respond in heartfelt repentance.
