Notes:

Self Reflection:

- 1) Take a moment to define "grace". Why is it imperative that we understand the relationship of the gospel and grace to godliness? Consider today's passage. What does grace teach us? What keeps us from learning?
- 2) What are some practical ways you can "deny" ungodliness and worldly lusts? What are some areas in your life that still need to be addressed – a sin(s) that you have not yet been willing to deny?
- 3) How does regular meditation upon the work of grace in our salvation motivate us to live godly lives? Describe how the second coming of Christ is equally important to how we live in the here and now.
- 4) Does your life exhibit a true zealousness for good works? How would you explain the role of good works in the life of a believer? How might you turn this passage into a prayer?
