Today's Message

Hallowed Be Thy Name

Today's Main Scripture

Exodus 20:7; Deuteronomy 5:11

Main Point

In today's message we consider the 3rd Commandment, and we build on the foundations of proper worship of the one true God set forth in the first two commandments. Our primary focus will be on the **name** of God, and what this "third word" forbids and what it enjoins.

- What's in a Name

- More than Words

- A Severe Warning

Notes:

Self Reflection:

1. How are the first three commandments related? Explain God's ordering of the commandments and what you think the significance may be.
2. How does today's message compare with your previous understanding of the 3rd commandment? As you examine your words, actions, and overall way of living, are there specific sins that point to a need for confession and repentance?
3. Take a moment to read the opening petition of the Lord's prayer in Matthew 6:9 and make a connection to the 3rd commandment. What does it mean to "hallow" His name in word and in deed?
