Today's Message

No Other Gods

Today's Main Scripture

Exodus 20:1-3

Main Point

There is no God like our God! He is holy and glorious. He calls us to wholehearted devotion and commitment. Nothing in this world, nothing in our lives, comes before Him!

- God is the One True God
- God Has Spoken
- We Respond: Worship and Piety

Notes:

Self Reflection:

1. Why is the first commandment considered foundational to the entire Law? What are some clear ways this command is broken?
2. Is there anything in your life that has become the “ultimate” thing in your life? Examine the “loves” in your life and ask “are they rightly ordered?”.
3. What New Testament scripture would you use to support the instruction of the First Commandment? In light of the clear scriptural meaning of the first Commandment, what attitudes and actions do you need to address?
