Discipleship

Our Mission

Our mission is to be faithful and bring to life Jesus' final command to His disciples. His command doesn't challenge us to simply become disciples, but to become disciplemakers, and makers of disciplemakers.

Philosophy

We don't believe there is one "right way" to "do" discipleship. Many men and women have had many and varied experiences – with differing degrees of success – in discipleship efforts. We've all had moments of joy and moments of heartache in our role as disciplemakers. We do believe that all activities in support of discipleship are to be built on a foundation that includes, at a minimum, the following pillars:

- Scripture Knowledge
- Prayer
- Accountability (to one another and to the larger body)
- Relationship development
- Service

Growing & Serving

Our vision is that every member of Perry Hall Baptist Church will become and remain actively and intentionally engaged in growing daily in Christlikeness and serving the Lord through one or more service opportunities. We long to see every member of our congregation connect, learn, grow, and serve.

Our plan is (1) to create a framework that will provide platforms appropriate to men and women of all ages that will support members' early and lasting engagement in the life of Perry Hall Baptist Church; and (2) to support the development of leaders in all facets of our discipleship ministry. A key component of the DNA of Perry Hall Baptist Church is to raise up and equip an army of "makers of disciplemakers".

Life Groups

Community Groups

Purpose – To enable members to experience life together as they grow deeper in God's Word, lift one another and the wider community in prayer, and build accountable relationships in a setting that fosters fellowship.

Community groups are encouraged to initiate and/or participate in service-related activities within and outside the group and the church, with care for one another the hallmark of the group. They are seen as the starting point for soul care of group members/families, in concert with deacon group members or the deacon assigned to each group.

To develop future Community Group leaders:

- o Optimally, 6-12 people
- o Any and all men, women, couples, regardless of age
- o Each CG meeting should be built on these foundational pieces of Scripture, prayer, accountability, relationships, and service
- o It is anticipated that many CGs will re-form approximately every 12-18 months

Adult Education

Bible Studies/Sunday School

- o Purpose – To help participants gain a deeper understanding of God's Word and how to apply it in their lives. We provide classroom instruction, in person or virtually

To develop cohesion within the class to foster fellowship and serve as a base for soul care to class members

- o Men, women, high school and older
- o Group size is flexible
- o Classes will be offered over one or more seasonal sessions as part of a system of educational "tracks"
