Self Reflection:

1. How would you describe a person who lives according to the Word?
As you consider this type of person, list specific characteristics that are markers of someone living a Christian life.
2. Take time to reflect on the scripture passages that comfort you in times of turmoil. If you don't have any, consider asking a brother or sister in Christ for some suggestions.
3. Do you find it easy or difficult to turn to scripture when faced with difficulty or opposition?
