Series
The Heart of Jesus

Today's Message
"Kept"

Today's Main Scripture
John 17:10-15; Psalm 121

Main Point

In today's passage, Jesus prays for the Father to keep and protect those whom the Father had given Him. This idea of "keeping" is not a new concept but rather a continuation of Old Testament teaching on the faithfulness of God and the promise of His preservation of His people.
